OLD LIBRARY
THEATRE

ABOUT US

Old Library Theatre was started in 1967 in Fair Lawn by a handful of dreamers who wanted to make the joy of theatre performance available to everyone. The original theatre was on River Road, but the company relocated to the George Frey Center for Performing Arts in the Fair Lawn Community Center in 2006. Now in our 57th season, we aim to continue the tradition of providing quality community entertainment at an affordable cost.

THE MUSICAL NINE

This spectacular musical, winner of multiple Tony Awards, is an adaptation of Fellini's 8½ film, and features one man and the dozens of women in his life. Celebrated but impetuous director Guido Contini, succumbing to the pressures of filming his latest epic, suffers a midlife crisis. One by one, women from his past and present – including his mother, his wife, his mistress, plus his leading lady – haunt, instruct, scold, seduce and encourage him until he finally learns to grow up.
